

# Tenali Municipality

## E- News Letter

Chairperson,  
K. Tulasi Das

**Volume-I Issue-VIII October -2016**

Commissioner,  
K. Shakuntala

### **Commissioner Note:**

We are happy to announce that Tenali Municipality ranked 1<sup>st</sup> place in performance Indicators for the month of October – 2016 among 110 ULBs all over the state of Andhra Pradesh.

During the month of September Municipality is implementing schemes for development of the town. We are implementing the state and central government schemes such as Smart Pulse Survey, and Amrut. Smart Pulse Survey was launched on July 8<sup>th</sup> across Andhra Pradesh with an objective to ascertain the socio-economic status of people and 95% of the households have been surveyed in the Tenali Municipality by the end of October 2016. AECOM (PDMC) prepared a draft DPR for the sanctioned project for construction of STPs under AMRUT and SE-PH, Guntur Circle a conducted a review meeting on proposed locations and reviewed the draft DPR. The Municipality is also gearing up to make it to the top in the Union government's Swachh Sarvekshan 2017, a cleanliness survey of towns and cities an orientation program to bring awareness was also conducted on this purpose.

Commissioner

Tenali Municipality

## Current activities

### Council Meeting:

The council meeting organized in the starting of the month. The Meeting focussed on, allocation of municipal funds, developments of roads and other development works also granted funds for this purpose. After various discussion all other agendas has been accepted by the council.

## SMART PULSE SURVEY

The Smart Pulse Survey launched on July 8th across Andhra Pradesh with an objective to ascertain the socio-economic status of people. As a part of it Hon'ble MLA launched Smart Pulse Survey at Tenali Municipality along with Commissioner. As many as 96 enumerators were conducting survey covering all 40 wards in the town. On this occasion Hon'ble MLA Sri. Alapati Rajendra Prasad visited wards personally and stated that people should co-operate to enumerators and register their details in the survey. Almost 95% of the households have been surveyed in the Tenali Municipality by the end of October 2016.

### Smart Pulse Status Report

S.No	Village Name	No Of Enumerators Submitted	No Of Families Surveyed	No Of Members Surveyed
1	Tenali(M)	96	47,000	1,34,000

## Swachh Bharath - Awareness Program for Hotel Staff and Owners

With a view to create awareness against maintain healthy environment an awareness program was conducted. The main aim is to create awareness among hotel management staff to keep the places clean and free from diseases.

## Bio – Toilets in Tenali

In order to make use of renewable resources, Tenali municipality taken initiative and constructed bio-toilets in the municipality. The process and benefits of Bio-Toilets are as follows.

**Pre-fabricated shelter:** Toilet structure built above the ground

**Bio-Digester tank:** Installed below the ground'

**Bio Toilet Variants:** Bio Toilets are available in Fiber Reinforced Plastic (FRP) or Mild Steel

**Process:** The Human waste is treated by anerobic bacteria in liquid form and release bio gas which can be used for street lighting and liquid waste which can be used for watering plants and can be directly sent to drains.

**Benefits:**

- Is colorless, odorless and devoid of any solid particles
- Requires no further treatment / waste management
- Can be used for irrigation purposes

**Domalapai Dandayatra and Parisarala Parishubratha**

**War against mosquitoes:**

As per the Government of Andhra Pradesh, issued instructions to conduct massive drive on control mosquito menace naming “Domalapai Dandayatra and Parisarala Parishubratha”, a massive drive was conducted in Tenali municipality on 23-9-2016. The drive continued in the month of October as well. The aim of the program is to prevent the mosquitoes by maintaining hygienic surroundings in all wards of the municipal limits. The main activities planned under this program are:

- Awareness creation on mosquitoes prevention through distribution of pamphlets, booklets by covering every Household, rallies, banners etc.
- Maintaining hygienic surroundings in every ward of the municipality
- Preventing Water stagnation
- Usage of bleaching and oil
- Cleaning of OHT’s, water quality testing, maintaining clean surroundings near Public taps etc.

**Tree Plantation:**

**Fogging and spraying to control breeding in different areas in the town:**

**Dropping of oil balls:**

**Orientation Program on Swachh Sarvekshan -2017**

In order to foster a healthy competition between cities, the Ministry of Urban Development (MoUD) started the “Swachh Sarvekshan” survey in 2016 which rated 73 cities across the country. Following the same, the MoUD has issued guidelines for “Swachh Sarvekshan” 2017 which will conduct a survey to rank 500 cities (having a population of 1 lakh and above). For this purpose an orientation program was conducted in Tenali Municipality on 17<sup>th</sup> October 2016.

The components covered in this survey are:

- Solid Waste Management (SWM) including road sweeping, municipal solid waste from residential, commercial areas and from construction & demolition waste.
- Individual, community and public toilets

- Open defecation free city/town strategy
- Information, education and behaviour change communication (IEBC) strategy, and
- ICT based system to enhance Urban Local Body (ULB) operations.
